Bert West of Scappoose, while riding past Warren on Sunday, had the misfortune to fracture his leg, his horse having stumbled and fell over him. He was carried into Dr. Blanchard's office when Dr. Cliff was called in and reduced the fracture and he was taken home. It will be some time before he is out again, as both bones were completely broken.

Loss of Appetite

As a general rule there is nothing serious about a loss of appetite, and if you skip a meal or only eat two meals a day for a few days you will soon have a relish for your meals when meal time comes. Bear in mind that at least five hours should elapse between meals so as to give the food ample time to digest and the stomach a period of rest before a second meal is taken. Then if you eat no more than you crave and take a reasonable amount of outdoor exercise every day you will not need to worry about your appetite. When the loss of appetite is caused by constipation as is often the case, that should be corrected at once. A dose of Chamberlain's Tablets will do it.

Every soldier knows that fully half the money raised by our government for war purposes was deliberately misappropriated by Congress and officials of the Wilson administration. —Chicago Tribune.

ANNOUNCEMENT

We wish to announce that we will open a variety store in the Muckle block—the room formerly occupied by the drug store—about August 1st, and invite the people of St. Helens and surrounding country to visit our store on the opening day whether you want to buy or not—just come and look around.

We believe St. Helens needs a variety store. You have good stores catering to all other lines, but feel this one line has been neglected. You will be surprised to find how many different things you can buy these days for 5c, 10c, 15c and 25c. We will not, of course, limit our stock to these prices, but you will find most of our goods selling for these popular prices and on the other goods our prices will be right.

Buying for cash and selling for cash means a saving all around these days. Let's all work for St. Helens and we believe with our stock of goods added to this town you will find you can buy your requirements right here to your advantage.

Yours very truly,

The "Elite" Variety Store.

NOTICE TO EXHIBITORS

The Columbia County Fair Board would like to have all persons expecting to exhibit stock or poultry at the County Fair in September, notify the secretary as to the number of stalls or pens they will require for their exhibits. It appears at this time that there will be a larger exhibit of stock this year than at any of our former fairs, and it may, therefore, become necessary to provide another building.
